## **WITH MARINCO'S NEW CABLE TV INLETS, IT'S EASY TO STAY "PLUGGED IN" TO ENTERTAINMENT ABOARD**

### **Now Three Available Models to Meet the Needs of Boaters and Boatbuilders**

Marinco, leading American innovator of shore power systems and marine electrical products, has announced a new-for-2007 line of Marinco Cable TV inlets that make it easy for boaters to stay "plugged in" to their favorite news, sports and entertainment shows while in port.

Each of these three new inlets is designed to provide easy, secure cable connections and years of reliable performance in the marine environment. Marinco's model TV6574 Standard Cable TV Inlet features glass-filled polyester construction and a watertight cap

with attractive stainless steel trim. Marinco's Model TV6444 model's Soft Touch cap design further enhances ease of use and trouble-free operation. Marinco also offers the rugged and attractive Model TV6592 Stainless Steel Cable TV Inlet. This model is crafted from marine grade 316 stainless steel to complement any vessel and features a waterproof locking cap with Soft Touch cap design.

As the leader in premium quality, American-made marine shorepower systems, Marinco knows about delivering sure and secure dockside connections. These three new cable TV inlets are a great addition for a variety of vessels and make enjoying cable programming easier than ever. They are also offered to manufacturers as OEM equipment. Marinco's industry leading five-year limited warranty provides added confidence for boaters and boat builders alike.

Guest is a Marinco Electrical Group (MEG) brand. With the combined brand power of Marinco, Ancor, Guest, AFI, Nicro and BEP, the Actuant Electrical Group is the leading supplier of electrical products and accessories to the marine industry. Boat builders specify MEG brand products and MEG brand products are available at leading marine retailers and dealers worldwide.
